

**Amendment to the Specification:**

Please add the following paragraph after page 21 of the application, which is the final page of claims:

**ABSTRACT OF THE DISCLOSURE**

A non-woven fiber assembly containing one or more fibers, each containing an adhesive component, an elastomeric component, and a hydrophilic component, is provided. A method of making the non-woven fiber assembly is also provided. Further, a medical dressing made from the non-woven fiber assembly is disclosed.
